SANUR BEACH

BALI

## **July 10 Facebook Post**

**Recently mother turtles came to our beach to lay their eggs and here at Fairmont Sanur Beach Bali the eggs are monitored and kept safe until they hatch. Yesterday, 117 hatchlings emerged from one of the nests (one more nest to go!). To release them back to the ocean, this morning, together with our Environment Committee, we invite our guests to be part of the baby turtles release at our beach area**
